

**Chris Cianciola, Deputy Program
Manager
NASA Space Launch System
Program Office
NASA Marshall Space Flight Center**

Chris Cianciola serves as the deputy manager of NASA's Space Launch System (SLS) Program at NASA's Marshall Space Flight Center in Huntsville, Alabama. In this role, Mr. Cianciola is responsible programmatic and technical planning, procurement, development, testing, evaluation, production and operations of America's new heavy-lift rocket being built to return astronauts to the Moon. Mr. Cianciola has an 18-year NASA career and is the recipient of numerous honors and awards, including the Silver Achievement Medal, Exceptional Achievement Medal, Space Flight Honoree Award, Director's Commendation, and Silver Snoopy. A native of Memphis, Tennessee, Mr. Cianciola earned a bachelor's degree in civil engineering from the University of Mississippi and a master's degree in administrative science from the University of Alabama in Huntsville.
